Redistricting Of County Is Cause For Board Dispute

Junior Chamber Opposing Citizens' Committee On Issue

Although the board of supervisors voted Monday to prepare an ordinance and establish district lines in conformance with a plan submitted by a citizens' committee for redistricting the five supervisorial districts, representatives of the Grass Valley Junior Chamber of Commerce said they would proceed with their plan and submit their proposition to the voters on the November ballot.

The plan submitted and aproved by the board was not acceptable to the junior chamber. Peter Ingram, representing the latter group said the board's approval of the county-wide plan would not deter the chamber from starting petitions for a redistricting election.

Neither plan, Supervisor H. G. Loehr said, would directly affect the boundaries of the fifth district embracing Truckee and Donner Lake, but the chamber's plan would place four-fifths of the power of the board in the Grass Valley area.

After Ingram left the meeting, the board voted to go ahead with the county committee recommendation. Under state law supervisors may change district lines at any time by board action but if a change is made by the vote of the people later changes also must be made the same way.

The plan submitted by the committee and approved by the supervisors is much less drastic than the one sponsored by the junior chamber group, Loehr said.

Six Locals Win In Reno Trout Derby

Six jubilant Truckee anglers are telling some whopping fish stories about the lunker trout that won them prizes in the $10,000 Trout Fishing Derby sponsored by Newt Crumley's Holiday Hotel in Reno.

W. D. Maxey of Truckee grabbed off first prize in the heaviest fish division of the big derby that ended July 15. A 24 pound, 10 ounce Mackinaw trout taken at Donner Lake earned Maxey a fishing trip for two to Willard's Moose Camp, Homer, Alaska.

Robert Roth secured second place in the same division with an 18 pound, three ounce mackinaw. Roth's prize is a portable light plant.

William Shackleford took fifth place in the derby with a 12 pound, 15 and 1/3 ounce trout that won him a pair of hunting boots and a handy portable cooler.

Arlene Roth captured sixth place with a 2 pound, 9¼ ounce trout that earned her a beautiful combination rod and reel.

G. F. Drewerly copped ninth prize, a tackle box full of lures and fly and lure boxes with a nine pound, 13½ ounce mackinaw.

B. J. Bollock's eight pound, 10 and three-quarter ounce trout earned him 3th place for the heaviest fish. His prize is a portable camp stove.

LIGHTNING FIRE AT BLISS PARK FOUGHT

BLISS STATE PARK — United States Forest Service personnel fought a lightning caused fire in an area back of Bliss State Park on State Route 89.

Roy Kornmeyer stated that six forest service fire fighters were on the scene and four men from the state park were standing by.

He stated the blaze was contained in an area about 100 by 200 yards. He said it was back away from any homes or resorts. It was in dense brush.

TWO NEW HOMES AT LOCAL TRACT SOON

Mr. and Mrs. Hendricks of Santa Ana have purchased a lot in Donner Trail Estates and plan to build their future home there. They are parents of Mrs. Nick Comola, wife of a local highway patrolman.

Mr. and Mrs. Harold Drummond have also purchased a home site in the same tract and plan to build soon. Drummond is principal at the Tahoe Truckee High School.

BURLINGHAM SUBJECT OF LOCAL ART CLASS

The local art class met Tuesday at 7:30 o'clock in Rafael Jolly's studio where A. E. Burlingham was the subject of study. The group meets each week at the same hour and place to discuss and apply their ideas in drawings, oils, pastels and charcoal.

RENEE HALL TO WED KIT SCHULL IN JULY

Mr. and Mrs. Robert Hall of Truckee announced the engagement of their daughter, Renee to Kit Schull, son of Mr. and Mrs. Kirby Schull of Donner Summit.

The betrothed couple plan to be married next July, following Miss Hall's graduation from high school.

Clerk For Forest Service Kept Busy With Flight In Area

The Truckee Ranger District's clerk-dispatcher, Joye Briley, had a busy day last Saturday. After a full day of dispatching men and equipment to and from various forest fires she was assigned to make a helicopter flight of the district to spot possible new lightning fires.

With pilot Woody Williams of Jensen Helicopters in Sacramento, Mrs. Briley first scouted the 75-acre stateline fire near Kings Beach. She found this fire controlled and mop-up operations well underway. She next scouted the ridges and canyons west of Lake Tahoe and found that several suspicious "smokes" reported by the lookouts were actually small fog pockets.

The 'copter then flew to the Woodchopper Springs area north of Prosser Creek to investigate a reported smoke. A hotly burning fire was discovered and directions radioed to several tankers coming in from Boca and Truckee. The helicopter then landed nearby and Mrs. Briley and Pilot Williams hurried to the fire, arriving in time to assist Fire Control Officer Nelson Stone circle the fire with a control line. The fire was caused by a smoker and again emphasizes the tinder dry conditions of the woods and the need for extreme caution by all forest travelers.

The helicopter completed its flight with an inspection of the Ladybug Peak and East Boca areas where forest service crews had extinguished three lightning fires the day before. The crews had done a good job and no smokes were visible. Dispatcher Briley reported that the low-flying 'copter flushed out many deer in this area, a sign of another good hunting season for the east side Sierra country this fall.

$37.50 CONTRIBUTED TO DONNER PLAQUE

The Nevada County Board of Trade at its last meeting moved that $37.50 be contributed to William Morris Stewart Chapter, E Clampus Vitus to cover the cost of a historical plaque commemorating the site of the Donner Party camp on Alder Creek. A request had been made for $150 for the project.

At the same time the group unanimously approved a $250 expenditure, requested by the Nevada City Chamber of Commerce to help defray expenses of an Independence Day celebration at Nevada City. A request had been made for $250.

The board discussed a state fair exhibit featuring a replica of a mine tunnel, complete with rails and car.

The group also unanimously voted $400 for the Golden Chain Council of the Mother Lode for 1960-61.

LAST RITES ARE HELD FOR FRANK JOHNSON

Funeral services were held in the Truckee Colonial Mortuary yesterday at 2 o'clock for Frank Johnson, 59 years of age who died here last Friday.

Rev. George Symons of the Church of the Mountains conducted the last rites and interment was in the Truckee cemetery. Johnson was a native of Sweden, and is said to have relatives in that country and in Florida. He is well known here since he has done seasonal work as a lumber grader in Truckee for several years.

FATHER O'NEILL WILL VISIT ROME GAMES

Rev. Patrick O'Neill of the local Catholic Parish will visit his parents in Ireland and after the Eucharistic Congress his tour will include visiting Oberammergau, Germany to attend the passion play.

Before returning in the early fall, Father O'Neill will go to Rome, Italy, the setting for the Olympic events.

MICHELLE DeLISLE IS HONORED AT PARTY

A swimming and beach party at Donner Lake was given July 27 by Mr. and Mrs. Ernie DeLisle in celebration of the ninth birth date of their daughter, Michelle.

Twenty-two young friends enjoyed the lively afternoon which concluded with opening of gifts and cutting the gayly decorated cake by the young recipient.

Kings Beach Fire Razes Large Area During Past Week

First Major Fire Of Year Is Fought By Scores Of Men, Machines

The first major fire in the Truckee District of the Tahoe National Forest was brought under control Friday two miles north of Crystal Bay after burning over 80 acres of brush and timberland in the remote area.

District Ranger Roy Saarni said at one time 370 men, 100 bulldozers and a helicopter were engaged in battling the stubborn blaze, with several planes standing by to give assistance.

While it was not immediately determined how the fire started, Saarni sai dit was undoubtedly man-caused. The fire burned up the side of Mt. Baldy and into Nevada before it was checked and a line finally brought around it.

At one time, as flames raced through tinder-dry brush and timber, dense clouds of smoke could be seen by residents of Kings Beach and Crystal Bay. The fire came within a mile of private homes on the outskirts of the resort area.

Ranger Saarni said the fire-fighting was "well controlled." There were no injuries, despite the night fighting conditions, he added.

Tahoe Still Leads Little League Play

With Tahoe City still leading the pack with 10 wins and only two losses, games in the Little League for this week will be as follows:

Tonight Tahoe City will be at Kings Beach and Truckee at Donner Lake.

On Tuesday, August 9, Kings Beach will play at Truckee and Tahoe City at Kings Beach.

Parents of the Little Leaguers at Truckee and Donner are busy with preparations for the parents' game on August 14. Tickets at $1 for adults and 25 cents for children are now on sale by the parents.

The standings on August 1:

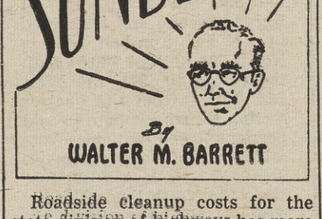
SUNBEAMS



By WALTER M. BARRETT

Roadside cleanup costs for the state division of highways has more than doubled in the last four years, according to a report given the statewide roadside cleanup committee of the California State Chamber of Commerce. This despite the fact that laws have been enacted and a constant campaign waged against the litterbug. In the 1956-57 cleanup period costs amounted to about $600,000 while in the 1959-60 period the cost neared $1,300,000. Last year 3,067 persons were arrested for littering the highway. The offense is classed as a misdemeanor with a $50 fine for the first offense rising to $500 for the third. One has but to watch cars traveling the highway only a few minutes to see some careless motorist toss empty cans, sandwich wrappers or some other trash from the vehicle. These violators are hard to apprehend, and only occasionally are caught with sufficient evidence for conviction. We believe that the fine is not sufficient punishment. Some judges have adopted a better plan and that is to sentence the culprits to a period of cleaning up roads or streets when they are found guilty. This method may have a tendency to curb the practice while a fine is taken more lightly.

Anti-Billboard Law Is Being Studied

The possibility that Nevada County will adopt an anti billboard ordinance was seen in the action of the planning commission meeting last week.

It was the opinion of the commission that ordinary commercial billboards advertising places and products should not be permitted, and they passed a resolution asking the board of supervisors to enact ordinances prohibiting the signs in the county.

It was understood that this has nothing to do with ordinary business signs and no effort will be made to prohibit places of business from advertising with signs on their own property.

What the commission is striving to do is to eliminate advertising of gambling houses in Nevada, various brands of liquor and all items not sold on premises of a roadside business house.

A suggestion by District Attorney Harold Berliner that a moratorium of 12 months be adopted on the question was approved by the board. In the meantime, Berliner will confer with the board on drawing up the ordinance.

EDMUNDS NAMED ON COUNTY PLAN GROUP

Supervisor H. G. Loehr announced that he has reappointed Cecil Edmunds to the Nevada County Planning Commission. The appointment was confirmed by the board of supervisors at Monday's meeting.

Edmunds has served on the board for many years and other members of the board expressed their approval in the reappointment. The term expired last April.

CUB SCOUTS ENJOY PICNIC AT DONNER

A Cub Scout picnic chaperoned by parents and den officials was thoroughly enjoyed at Donner State Park picnic ground near China Cove on Sunday.

The usual picnic fare of weiners, soda pop and watermelon pleased the young boys on the carefree afternoon.

POTLUCK PICNIC WILL FEATURE GUILD MEET

Plans for a potluck picnic to be held Sunday, August 14 at one o'clock at the east end of Donner Lake were made by members of the Assumption Guild Tuesday at the home of Mrs. Carroll Maynard.

The members said that a lovely cedar chest will be given away and they may be contacted for further information.

Kidnap Suspect Is Nabbed Here; To Face Lesser Count

Suspect Arrested By Local Patrol Officer Wanted In South

David Leedom Richman, 38, an ex-convict from Florida, was arrested near Truckee by Sergeant Frank Snyder of the California Highway Patrol and was being held for the U. S. Marshal on a number of charges ranging from kidnapping and rape to carrying firearms.

Snyder said the kidnap and rape charges would not be pressed, according to the federal bureau of investigation.

Richman was arrested after an Idaho woman told Reno police that she had been abandoned there after being forced to accompany the suspect from her home at Garden City, Idaho, where she met Richman at a bar.

The suspect was booked on charges of interstate auto theft, possession of firearms by an ex-convict and violating his Florida patrol on an auto theft charge.

Snyder said Richman admitted all charges except those brought by the woman, asserting that he did not force her to accompany him. The woman had told Reno police she had been raped at the point of a knife and that Richman cut off her clothing. She was treated for bruises and cuts.

According to police, Richman admitted buying the car he was driving in Texas with a worthless check. He drove it to Minnesota where he obtained a number of phoney credit cards and drove to Idaho.

A deputy U. S. marshal arrived to take Richman into custody and specific charges will be made later.

4-Point Program Planned At Squaw

A four-point program for the operation of the state owned recreational facilities in Squaw Valley has been outlined by the Placer County Planning Commission.

The commission, in adopting the recommendations urged the retention of Squaw Valley Park within the permanent structure of the state park system. The county supervisors also have accepted the commission program.

Recommended operational procedure includes:

1.—The state maintain through leased operation, if necessary, a wide variety of recreational activities consistent with the mountain environment.

2.—A reasonable charge for participation in the events to reach the middle income ranges.

3.—The state take a "go slow" attitude for the expansion of the park, while a coordinated study for future planning of the valley is continued.

4.—The state beaches and parks or assigned concessionaires along with other property owners seek to form a single sanitary district in the valley.

Five Trials In Day Keep Officials In Local Court Busy

It was a busy day in the Truckee Judicial District Court last Thursday.

Judge F. W. Wilson had three jury trials, one non-jury trial and a preliminary hearing, all attended by District Attorney Harold Berliner and his assistant Jan Stevens.

In the first jury trial, Robert E. Barringer of Citrus Heights was charged with not pulling his truck out for passing traffic. The jury disagreed, six to six and the case was dismissed.

A second jury found Jerry Crumerine of Marysville guilty of making a bad pass and he was fined $32.

In the third case, the defendant, A. J. Penrod of Loyalton failed to appear but the jury found him guilty of speeding. He forfeited his bail of $21 but still will be sentenced by the court.

In the preliminary hearing, Joyce Saunders pleaded guilty to a charge of displaying a weapon in a threatening manner and was fined $105. She had been charged with assault with a deadly weapon, but this charge was reduced.

Willard Gore, Grass Valley, was fined $16 and the sum suspended after he was found guilty of failing to turn his truck out for faster traffic.

Angelina Quilici Expires In Nevada

Mrs. Angelina Quilici, prominent Verdi resident whose family has been engaged in ranching there since 1904, died at a Reno rest home Friday. She was 83 years of age.

Born in Lucca, Italy, she was married there to the late Pietro Quilici and came to Nevada as a young bride. She resided in Verdi for 56 years.

Murder, Robbery Suspect Sought In Local Shooting

Forest Fire Used To Attract Help For Victims Of Shooting Here

An all-points bulletin has been issued for a man known only as Fitzgerald wanted on suspicion of brutal murder and robbery at Woodchopper Springs, five and a half miles north east of Truckee yesterday afternoon.

One man, George Bonn, 58, San Francisco construction worker was shot to death and his companion, Milton J. Young, 41, Lewiston, California, a construction first aid man, is in the Tahoe Forest Hospital with a gunshot wound in one leg as the result of the affair.

Young told officers the following story, according to Chief Deputy Sheriff Roy Waters, who is heading the investigation.

The three met at a San Francisco bar yesterday morning and Fitzgerald offered to take Bonn and Young to Reno. They stopped at Auburn for gasoline and continued on to Truckee arriving here about 3 p. m. After a few drinks at a local bar, Fitzgerald, who represented himself as a tractor salesman, said he had to see a customer near Truckee.

They drove to Woodchopper Springs, according to the story and Fitzgerald lef the car while he walked down a road supposedly to find the customer. When he returned to the car he procured a .22 calibre revolver and demanded that Bonn and Young give him their money.

He forced his two victims to undress, leaving them only with their underwear.

During the ensuing argument, Bonn managed to slip up behind the gun-totter and struck him over the head with a whiskey bottle. Fitzgerald, infuriated, whirled and shot his assailant in the head twice then pumped three more bullets into his body, firing one into Young's leg.

Taking the clothing which contained $800 belonging to Bonn together with pay checks, Fitzgerald got into his small foreign built car and took off.

Young started a fire in the brush to attract attention and Al Silva, Eddie Fischer, Jr. and Nelson Stone of the forest service went to the scene when lookouts at Verdi and Martis peaks notified the local office of the fire. This action is believed to have saved Young's life as he was seriously wounded.

Officers of the California Highway Patrol, William Gautsche and Sergeant Frank Snyder were dispatched to aid in the investigation. The suspect, however, had about a three hour start and road blocks failed to stop the fleeing suspect.

OSBURN TELLS CLUB OF ALASKAN JAUNT

The weekly meeting of the Truckee Rotary Club was held in the Donner Lake Lodge Monday evening. The 24 Rotarians and their guests heard member Charles V. Osburn, Tidewater distributor, present his impressions of Alaska's economy and growth, following his recent visit with his daughter and son-inlaw in Fairbanks.

This was Osburn's third visit to Alaska in the past three years.

Visiting Rotarians were Frank W. Cleland of Huntington Beach, Bill Dresser of Altadena, Sam Knowles of Alhambra, Bob Rubin of Vacaville, Vard M. Shepard of San Luis Obispo, and Robert J. GUARANTEED BEACH FOR INCLINE HOMES

CRYSTAL BAY — Residents of the new Incline Village on Nevada's north shore of Lake Tahoe will be guaranteed perpetual access to bright sunny beaches and an exclusive shore front club atmosphere under a plan disclosed today by Crystal Bay Development Co.

More than 2,500 feet of clean, unspoiled Tahoe shoreline have been set aside and will be reserved for residents of the area exclusively.

Organization of the Incline Village Recreation Association, as a non-profit Nevada corpoartion to own and operate the beaches, has just been completed the developers announced. Affairs of the association will be conducted by trustees elected by home owners themselves.

Under the plan, unique in the entire Lake Tahoe resort area, each purchaser of property anywhere at Incline Village also buys, at a nominal $50 cost, one share of common stock in the association. Beginning July 1, 1961, each share will be subject to an annual assessment of not more than $50 to provide funds for beach improvements. Buyers of unsubdivided land in the 9,000 acre area will pay an annual assessment of $20 per acre to the association for community beach acquisition and development.

Tentative plans for community beaches call for a yacht club, marina, tennis courts and swimming pool.

Beach properties include two stretches along the Crystal Bay shoreline, one nearly a quarter mile in length, and the other approximately 1,000 feet long.

CONTRACT AWARDED FOR FORESTRY CAMP

SACRAMENTO — (CNS) — The state department of public works has awarded a $407,986 contract to Don da Roza, Inch, Dutch Flat, for construction of an 80-man forestry conservation camp seven miles northeast of Nevada City off State Highway 20.

The contract had been awarded to McDaniel and Burroughs, Inc., and McDaniels & Burroughs, Marysville, but was refused by the contractor, who claimed an error in his bid.

DONNER SUMMIT NEWS

By LLOYD W. GAY

SACRAMENTO GROUP

A group of Young Women's Christian Association members from Sacramento spent the weekend at Cal Lodge on a group excursion. The SPOTS, senior or young adult members of the YWCA spent their time in hiking and swimming.

WILDERNESS TREK

The seldom traveled crest of the Sierra from Yuba Pass to Donner Summit was covered in a five day backpack trip last week by David Pirtz and his ten-year old son Anton of Berkeley. The Pirtzs route included overnight stops at Coburn Lake, Weber Lake, White Rock Lake via Independence Lake, and Paradise Lake before striking U. S. 40 near Lake Van Norden. They experienced only moderate fishing success during the trip, but praised the beauty and grandeur of the central Sierra. Pirtz is a former resident of Grass Valley.

CONSTRUCTION UNDERWAY

The Millwright Construction Company of Sacramento has begun construction of the first two homes in the new development at the Sierra Lakes Club. Roadways for the 500 home development are progressing rapidly as the development takes form.

FORMER RESIDENTS

Don and Marilyn Hahn of Sacramento are spending the month of August in the Rossi House on Castle Creek with their three children, Brian Stevie, and Peggy.

DANISH VISITOR

On a tour of the United States, and while visiting relatives en route, Harry Radmussen from Denmark stopped for a brief visit with Mary Williamson last week.

TEMPORARY ASSIGNMENT

District Ranger Paul Madden of the Big Bend station is spending the month of August on temporary assignment as fire control officer for the Tahoe National Forest at the forest supervisor's office in Nevada City. Bob Mason will be acting district ranger during Paul's absence.

HOSPITAL NEWS

Henry Sheldon, from Auburn, manager of the Palisades at Palisade Lake, lost his leg below the knee as a result of an accident the previous week. Sheldon, 30, was splitting wood when a piece of the sledge hammer flew up, severing an artery in his thigh. Doctors at the Tahoe Forest Hospital had hoped to save the leg by an arterial transplant. Mrs. Sheldon said that her husband will be convalescing for several months.

ACCIDENT

Carl Williamson, who is working for the summer in San Jose, severely strained his leg on a trampulin there, and will be on crutches for the next few weeks.

SUMMER VACATIONS

Starr Walton has finished the summer school session at the University of Cailfornia's Berkeley campus, and will be spending the remainder of the summer on the summit. Sherry Everett, who has been visiting the Roland Hastings of Pla-Vada, has returned home to Palo Alto.

BUTANE INSPECTION

The county butane tank inspector was through the area the past week, and a number of tanks were turned off for not meeting the safety standards. The most common discrepancy was newly repainted tanks that had not been relabeled as to type of liquid fuel contained.

SQUAW VALLEY WEDDING

Miss Jacklyn Forster and Ronald Charles Cottrel were married in the United Church of Squaw Valley on July 31. The newly-weds were honored with a reception at the Donner Summit Lodge after the ceremony, and they then departed for a week's honeymoon in Hawaii. They will return to Sacramento to make their home.

AUDUBON SOCIETY

The members of the Audubon Society summer nature camp at the Sugar Bowl stopped briefly by the Snow Laboratory last week for a look at the research program underway there.

RETURNS FROM VACATION

The foreman at the snow lab, Bill Cole and his wife Fay, have returned from a two weeks vacation, spent in Sacramento and at Bodega Bay.

FIRE CREW RETURNS

A five-man crew from Big Bend Ranger Station returned from fire assignments on the Angeles and Los Padres National Forests in southern California over the past two weeks. The crew, under direction of District Fire Control Officer Bob Mason, includes Ron Forbes of Lodi, Gary Tecklenburg of Lodi, Dennis Hoerth of Lodi, and John Guthrie of Napa.

PROGRESSIVE DINNER

The Bay Area Ski Association will hold their annual progressive dinner in the summit area on Saturday, August 6, with the public invited. Tickets for the event, a fund-raising project for the federation's winter competition program, are $2.50, and include soup at the Oakland Ski Lodge, salad at the Alpineer's Lodge, the main course at the Sierra Club and dessert, coffee, and dancing at the Heidelman Lodge. The dinner will be preceded by a Happy Hour at the Vikings Lodge beginning at 6 p. m. Dianne Clayton, chef at the Sierra Club, reports that the main course will be an old fashioned pit barbecue of beef. The Bay Area club members expecting over 200 to attend, will spend Saturday and Sunday in a water ski regatta on Donner Lake. Water ski rides will be furnished on a coupon basis for the public from the club's boat owners. Ski coupons and dinner tickets will be available at Donner Lake.

Automotive factories in the U. S. produced a total of 4,245,645 motor vehicles during the period from January 1 through June 18, 1960.

GUSHER!

Lake View, California—first and foremost boom town in history

GOLDEN MOMENTS

In California history—thousands hit a new peak in prosperity when the great Lake View gusher blew in more than 60 years ago. 90,000 barrels a day!

In California life—part and partner in our modern prosperity is beer. Last year the Brewing Industry purchased over $7.5 million worth of California farm products—one more reason why beer means better living for all in the "Golden State."

FIXED FOR LIFE

The car may be repaired but this small victim will never be the same. All because some driver gambled with speed limits, cheated a stop sign or ignored road markings. Most accidents can be traced to such law violations. Each day they injure, cripple and kill thousands. Help end this frightful toll! Drive carefully. Obey the law. Insist that others do, too. Where traffic laws are strictly obeyed, accidents go down!

FACE THIS FACT
Drivers are the No. 1 cause of traffic accidents which last year injured 1,400,000 and killed 38,000. This year an increase is threatened. How long must this go on? YOU can supply the answer!

DOG BITE RESULTS IN $10,00 SUIT FILED

NEVADA CITY—Dorothy Fordham and husband William Fordham of Truckee have brought suit in the Nevada County Superior Court against Gladys and William Pedley, also of Truckee.

Suit is for $10,000 general damages plus medical and other expenses for injuries allegedly suffered by Mrs. Fordham when bitten by the Pedley's dog.

Dorothy Fordham alleges that on August 3, 1959 she visited the Pedley home on the invitation of Gladys Pedley to discuss business of the American Red Cross, and that as she entered the Pedley yard the dog jumped on her and severely bit both arms and wrists. She claims long illness and expensive treatment because of wounds. She further claims the dog had bitten four other people in Truckee prior to this date.

GUEST MINISTER AT CHURCH IN VALLEY

SQUAW VALLEY—The United Church of Christ at Squaw Valley will have a guest minister August 7 when Rev. Edwin Gunnemann, minister of the Evangelical and Reformed Church in Sacramento will preach at both hours of worship. His subject, "God's Way Not Our Way." Morning worship will be at 9 and 11 a. m. and at 8 p. m. there will be a service of music, meditation, prayer.

Rev. Frank Evans, pastor of the church will direct a camp for high school students at the Congregational Camp Tamarack near Huntington Lake.

DONNER COMMUNITY BARBECUE PLANNED

SODA SPRINGS — The annual steak barbecue, sponsored by the Donner Summit Community Club, will be held at 11 a. m. Sunday, August 7 at the picnic area back of the Big Bend Ranger Station, Al West, club president, announced.

The past barbecues have featured excellent steaks, swimming, games and refreshments with the attendance running from 150 to 200.

Coordinators for the barbecue this year include West, Vice President Betty Board and Secretary Betty Hampton. The steaks will be prepared by Dale Thornton of the Sno Lab, a former professional cook and the refreshments will be in charge of Milt Avila of Glacier Gap Lodge. The green salads will be prepared by a committee headed by Lena Fredericks of the Norden Store, while the potato salads come under Dorothy Bacon's direction.

Games will be organized by Frank and Kate Zoll and will feature volleyball, horseshoes and swimming.

The posters advertising the event were the work of Betty Aro. Tickets are available from club officers or may be obtained at the barbecue. The public is invited.

NEW WATER TANK IS PROPOSED AT LAKE

TAHOE CITY—The Tahoe City Public Utilities District at a special meeting decided to call for bids on a new cement-bottom water storage tank of 250,000 gallons capacity.

An alternate bid is for 500,000 gallon capacity tank.

After the district engineer looks over the plans an official advertisement will be let, and a deadline will be set for bidding.

Construction of the tank is expected to be completed in the fall, said C. W. Vernon, Manager of the district. It will be built in the hills behind Tahoe City, in the location of the present tank.

The 36,000-gallon capacity tank now being used will be held only for stand-by use.

The district also decided to enlarge and deepen one of the oxidation ponds, which will double the capacity of the oxidation ponds.

The first Kiwanis Club was organized in Detroit, Michigan, in 1915.

JUNIOR REGATTA AT TAHOE CITY SUNDAY

TAHOE CITY — The second junior outboard regatta, sponsored by the Tahoe Yacht Club, will be held Sunday, August 7 starting at 9:15 a. m. at the Tahoe Boat Company in Tahoe City, Ralph Peer, II, announced.

There will be a number of classes with trophies for the first, second and third place in each class.

The first event will feature drivers 13 years and under with 7½ HP motors. All other classes will feature drivers 20 and under and will include Class B hydroplanes and Class B utilities. In the four runabout events, the racers will be divided into 19 HP motors and under, 20 to 36 HP, 37 to 50 HP and 51 HP and over.

R. Randolph Walker is chairman of the regatta committee. Membership in the club is not required for entering.

"Red Hot Pokers" belong to the lily family of plants.

NOTICE OF HEARING VARIANCE FOR SIGN CARNELIAN BAY

Notice is hereby given by the Placer County Planning Commission that a public hearing will be held by said Commission on Friday, August 12, 1960, and Friday, August 26, 1960, in the Supervisors' Room, Court House, Auburn, California, at the hour of 10:15 a. m. to consider the application of Sierra Boat Company for a variance to erect a sign 240 sq. ft. Said variance is requested on the basis that location of the sign on the roof of the sales building or on the front of the showroom would create a public hazard during wind storms and adverse weather conditions. Said sign to be located on the following described property:

A portion of N½ of the NW¼, Sec. 22 T 16 N, R 17 E; "Hotel Reserve," Carnelian Bay, pursuant to Placer County Ordinance 108-B; 3 mi. W of Kings Beach on Highway 28.

At said hearings all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

BEVERLY GUNKEL IS NAMED PLACER QUEEN

TAHOE VISTA — Miss Beverly Gunkel, daughter of Mr. and Mrs. H. L. Gunkel of Tahoe Vista and a sophomore at Chico State College, reigned as queen at the Placer County Fair having been selected from among the 20 candidates entered in the contest.

She was crowned by Congressman Harold T. Johnson at the opening day of the fair last Wednesday night before a packed grandstand.

Miss Gunkel is five feet, six inches tall, weighs 120 pounds and measures 35-23-35½. She works as a lifeguard during the summer and is a teaching major at college.

The local girl will compete during the forthcoming state fair in the Maid of California contest.

A sprinkler with an opening ¾ inch wide, running at full pressure will use 300 gallons of water an hour. This will cover a lawn or garden space of 2500 sq. ft. with 12 tons of water in ten hours, the equivalent of one inch of rainfall. In extremely hot weather this is enough sprinkling for one week—50 tons of water a month. In cool weather sprinkle less often. If a sprinkler runs over two hours every day, it is water wasted.

Marie Henry, a director of the Placer County Chapter of the American Red Cross, asks that lake area holders of current first aid cards contact her by phone, mail or in person, so she can compile a list of available volunteers in case of an emergency or disaster of any kind. During the recent Kings Beach forest fire, volunteers were urgently needed. Mrs. Irene Arnold and Mary Tobin of Auburn responded to the urgent need for first aid equipment. Henry Schwarz of Truckee, who was working on the fire line, had to leave that important work to supervise first aid activities. An emergency such as the Kings Beach fire, or any other disaster, can hit us any time. It is of the utmost importance that Red Cross first aid volunteers be available in our area, and on call at such times. Marie Henry will take names for a roster of volunteers at the Tahoe City Garage in Tahoe City. She may be reached by phone at JUniper 3-3447.

New members of the Women's Club of Tahoe are Clarise Harrington, Marguerite English and Dorothea Rivard. Club members who celebrated August birthdays were Gladys Pedley, Laura Lee Wells, Irene Grahn and Myrle Rose. Charter member Nora Hevel is ill and hospitalized at Woodland. The club members plan a visit to their Penny Pines Plantation in August at Sierraville. Anyone wanting to go can contact Eunice Henrikson, JU 3-3972. The trip will be a tour, not a regular meeting. The club issued its first edition of their Bulletin in July prepared by Eunice Henrikson, Gladys Cahill and Ethyl Vernon. Editor is Irene LePire and reporters are Marge Smith and Eunice Henrikson. Members met for a regular meeting August 4 at the Crystal Bay Club.

El Dorado Planning Commissioner Paul Brace visited Tahoma last week to discuss zoning for Tahoe Cedars Tract. Little, if anything was accomplished. As usual, we'll probably be left to put up with the haphazard and slum-like buildings and outhouses that are increasingly evident here—with no regard for sanitation regulations or safety. Residents and taxpayers in this bottleneck are increasingly dissatisfied with the complete disregard for the codes, ordinances and regulations in this area.

Several small fires caused by lightning in the Bliss Park area last week were controlled by the forest service personnel.

Several fires have been deliberately set in the Tahoe Cedars Tract at night. It was most fortunate that nearby residents were awake and alerted others in time to prevent major disaster.

The annual Tevis Cup 100 Miles One Day Ride over the Western States Trail from Lake Tahoe to Auburn will be staged this Friday. The Tevis Cup award for horsemanship, given to the winner of the ride was established a year ago, in memory of Lloyd Tevis, a California pioneer of 1849, who was later president of Wells Fargo & Co. The ride starts at Tahoe City post office at 5 a. m. when a pouch of Pony Express mail is received and strapped to the saddle by a mounted messenger for delivery over the 100 miles.

The Tahoe Lake Monday Night Bridge Club meets at Tahoe Community Center above the post office at 7:45.

DONNER DOINGS

By VIRGINIA O'BEAR

Many parents will be happy to know that there will be Sunday school at Donner Lake. Rev. George Symons has been working with us out this way and met with interested parents at Donner Lake Lodge Tuesday evening. Sunday school will start soon and the time and place will be announced at a later date.

* * *

Many children from Donner Lake as well as Soda Springs and Truckee are grateful to the Shriners for their trip in to Reno this week to the circus. This is a yearly event and the children are provided transportation, a free lunch and the exciting circus, all with the compliments of the Shriners. I think the parents of all of these children are grateful, too. I know I am for this means a lot to my two.

* * *

A. Carles is at his summer home for a little while and is busy fixing up his yard, in between boating and fishing. He is from Los Altos.

* * *

Mrs. Orville Gunther and family are at Donner Lake for a week visiting with the Jay Richards family. Mrs. Gunther is a sister of Clarice and they are here from American Fort, Utah. Clarita and Dennis are enjoying their cousins visit by going horseback riding.

* * *

Mr. and Mrs. Robert Wentzell, former Donner residents now living in Sacramento, were visitors over the weekend. They usually make a trip back once a year to see all of their friends. Bob is with Pacific Telephone Company.

* * *

Martha Rogers and my sister, Mary, were up over the weekend and took my little niece, Suzi, back home to San Francisco. Suzi was with us for two weeks and we had a lot of fun swimming and horseback riding. They will be up again soon and will take my daughter Jennifer down for two weeks.

* * *

Miss Shirnell Hansen will return this week fro ma very exciting vacation. She has visited friends in Sacramento, San Francisco and has taken a trip with some of them to Disneyland. While away she attended the Ice Follies in San Francisco.

* * *

This weekend a large crowd is expected at Donner Lake as there will be a water ski meet. This is an exciting event as participants come from all over the country to compete in water skiing and jumping.

* * *

There will be another regatta this Sunday at Lake Almanor and the same little fast running boats will be there that were at our Donner Lake Regatta last month. The place is at the PG&E damsite at the south end of Lake Almanor on Highway 89. This race is sponsored by the Chester-Lake Almanor Chamber of Commerce and they are giving cash prizes to the winners.

* * *

On Sunday, August 14, there will be the Western Divisionals Championship Races at Pyramid Lake in Nevada. These boat races are sponsored by the Desert Boat Club and the Sparks Chamber of Commerce. The same winners of the Regional Championships at Donner Lake last month will be competing for the Divisional Championships and the winners from this race will go on to the National Championship Races. Miss Donner Lake, Joanne Pomin and her princesses and the royal court have been invited to appear at the races that day as guests of the Desert Boat Club and the Sparks Chamber of Commerce. It should be very exciting for the lovely girls and I am sure they will add a little more interest for the Regatta and the racers.

STRIKES & SPARES

BY JOE WILMAN

DON'T BE A COWARD . . . FACE THAT SPARE!

Besides being great strike-getters, almost every star bowler is an excellent spare bowler. I'm amazed every time I watch Marion Ladewig convert her spares. On a single pin spare, Marion generally hits it right on the nose. Such accuracy is one reason why she's the greatest woman bowler in history.

Below are three rules for spare bowling that will help if you keep them in mind and practice them:

1. In taking your stance, face your target from the correct angle. Remember the three angles for spares.

2. Walk directly toward your target throughout your approach. Don't swing off-line to either side.

3. Let your arm reach directly toward your target in your follow-through, as we show in the illustration. I refer to this as "shaking hands with the pins."

These rules sound simple, don't they? Decide the proper angle before you get up on the approach. Then, when you get your ball and are ready for your stance, face your target from the correct angle. Walk directly toward your target during your approach and reach out toward your target in your follow-through.

And remember, one more spare converted means 10 pins more in the score.

FIRST PERMIT FOR NEW TAHOE VILLAGE

CRYSTAL BAY—First building permit issued for a home in the new Incline Village development on the Nevada north shore of Lake Tahoe has been taken out by Ray Ehlers and Jackie Jensen.

Ehlers and Jensen, former major league baseball player and All American football star, own and operate Incline Village Contractors. Their first permit is for a model home under construction in the new Ponderosa section of Incline Village and is one of two model homes they plan to build immediately. The second will be started shortly and both are expected to be completed, fully furnished and on public display about the end of August.

Ehlers and Jensen have also acquired a block of four large homesites in the Crystal Rocks subdivision of Incline Village from Crystal Bay Development Co., the partners announced, and will follow the construction of the two model homes with additional residences there. The Crystal Rocks area lies between the present lakeshore highway and Lake Tahoe.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

Last Friday a beautiful but light shower dampened the roads and lessened hazard of fire. Right after the spectacular fire on top of Baldy, that put the scare into the hearts of the residents of this area. Luckily the excellent work of the North Tahoe Fire Protection District and many other willing helpers, saved us from what might have ben a disaster, even at that about 200 acres was destroyed. The authorities of Carson and thereabouts, many Indians were dispatched to the scene. All in all, as Curly Mason says, everyone on the job are to be thanked and congratulated for a remarkable feat. This was the worst fire that has hit the area in a long time.

WEDDING

On Saturday morning July 30, a marriage ceremony was held at our home in Kings Beach, where Robert Maske of San Francisco took as his beautiful bride, Jodeen Shiffer, also of San Francisco. The home was decorated beautifully with a center piece of red roses brought up from Richmond by Lloyd Barnes, who acted as a witness together with Mrs, Elsie Charrison. Many pictures were taken of the gathering on the lawn amidst large clusters of daisies and sweet peas.

AND ANOTHER

On Sunday last, July 31, I was shaken out of my slumbers at 6 a.m. to marry a sweet young couple from Sacramento. Clyde Clinton took as his bride, Anna Campbell, a brown-eyed litle beauty.

OH-NO

Now, we get a card from Jean and Mike Cinani, informing us that they have bought the Fox Head Motel, south of Reno on 395. Wonderful for them, but we shall miss these two swell people.

DOGS

Yes, Kings Beach has gone to the dogs. There are too many dogs left to roam the streets night and day. You must keep the animals on your property or on a leash, large and small. It is aggravating to be kept awake by barking dogs.

Five years of research and testing by the Bell Laboratories went into the Princess telephone, now being introduced here. It is the first major home telephone change in ten years. The Princess weighs about half as much as other phones and is about half their size. It has a night light in its dial, a feature which appeals to Pacific Telephone's Jackie Willard, shown holding one of the new sets.

NEW TELEPHONE IS INTRODUCED HERE

A new telephone, half the size and weight of most instruments now in use, is being introduced in Truckee-Tahoe area now, L. R. de Gallery, local manager for Pacific Telephone announced today.

Known as The Princess, it is the first major home telephone change since 1949 when the "500" set was put on the market by the Bell System.

The Princess is quite new in appearance. It is oval-shaped and has a clear plastic dial which can be turned on with a switch in the base to glow softly as a night light. The dial will also light up automatically when the receiver is lifted.

Its weight is 2 pounds and 10 ounces, roughly half that of most other telephones. In size it saves about two inches in height and five inches in depth over its predecessor, the "500" set. Its width is about the same.

The debut of The Princess follows about five years of research, engineering and testing by a team from the Bell Laboratories, the Henry Dreyfuss design organization and marketing specialists of the Bell System.

Bell Laboratories engineers pared down the size of internal dial and switch assemblies, wires and coils in the base of the instrument.

Mankind's opportunity to awaken to God-given freedom will be emphasized at all Christian Science churches next Sunday.
The account in Acts (Ch. 16) of the imprisonment and deliverance of Paul and Silas will be related in in the scriptural readings.
Selections from "Science and Heatlh with Key to the Scriptures" by Mary Baker Eddy will include (227:14):
"Discerning the rights of man, we cannot fail to foresee the doom of all oppression. Slavery is not the legitimate state of man. God made man free. Paul said, 'I was free born.' All men should be free. 'Where the Spirit of the Lord is, there is liberty.' Love and Truth make free, but evil and error lead into captivity."
The Lesson-Sermon on "Spirit" continues the current series which brings out the nature, essence, and wholeness of God.

Details Of Olympic Games Show State Gained $1,614,000

A final summing up of the details in connection with the staging of the 1960 Olympic Winter Games reveals that the state benefits rather handsomely from the operation, despite complaints to the contrary.

In a final report, Prentis C. Hale, president of the organizing committee, says that the value of the Squaw Valley physical properties, installations, facilities and equipment turned over to the state are valued at $10,604,000, compared with a cost to the state of $8,990,000, a gain of $1,614,000.

The physical properties include the $3,500,000 Blyth Arena financed by the federal government. In addition, the committee is assigning to the state deferred income from motion picture and television rights, contracts and insurance claims and funds held in reserve by the department of defense, having a potential value of $150,000.

In a message read to the board at the last meeting, State Director of Finance John E. Carr, said: "I congratulate the members of the committee on a successful completion of a monumental job, despite extraordinary difficulties and problems arising from a pioneering enterprise of this kind."

It should be emphasized, Hale said, that the benefits to the state cannot be interpreted only in terms of dollars and cents. The balance sheet, of course, does not reflect the fact that the universally acclaimed success of the winter games brought uncalculable benefits to California and the nation in terms of international prestige and good will. It also established Squaw Valley in the eyes of the world as a superb sports area equal to, or better than, the finest winter sports resorts to be found anywhere in Europe or the western hemisphere.

These intangibles will continue to benefit the state and nation through the years to come, Hale continued, and any reckoning of cost of hosting the 1960 winter Olympics classic must take these substantial facts into consideration.

It is plain, the report said, that from the balance sheet the state received, in actual real estate buildings and other physical assets, substantially more than a dollar's value for each dollar appropriated.

COUNTY SHOWS BIG GAIN IN SALES TAX

SACRAMENTO — (CNS) — All but four counties showed gains in retail sales during the first quarter of 1960 as the total taxable transactions hit a new first-quarter high of $5,407,484,000, the state Board of Equalization reported.

In Nevada County, taxable transactions for the January- March quarter totaled $5,304,000 to return $159,120 under the state's 3 per cent tax. This amounted to .1 per cent of the state total and reflected a 16.1 per cent increase from the first quarter of 1959.

Statewide, the increase was 8.4 per cent above the first quarter of 1959. Only three counties experienced gains greater than the average—Calaveras with 26.5 per cent, Tuolumne with 10 and Contra Costa with 8.5 per cent.

The board said the statewide business picture generally was good. All but three classes of retail stores participated in the upswing with other general merchandise stores, grocery stores selling all types of liquor, and service stations reporting gains in excess of twice the statewide increase.

Sales of new motor vehicle dealers comprised 13.5 per cent of all taxable transactions and were up 8.4 per cent from a year ago.

The building material group, which accounted for almost 5 per cent of all taxable business during the quarter, increased sales only 3.3 per cent over those of a year ago. Contractors and wholesale building material dealers were up 5.1 per cent.

Taxable transactions of outlets dealing primarily in soft goods generally showed greater percentage increases than those of outlets dealing mainly in hard goods.

NOTICE TO CONTRACTORS

Notice is hereby given that the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, will receive sealed bids up to but not later than 5:00 p. m., on August 19, 1960 for fuel oil, school bus, and digging and installing a well, in accordance with the list and Specifications now on file in the office of said Tahoe-Truckee Unified School District Superintendent, located at Tahoe-Truckee High School, Truckee, California; all prospective bidders are hereby referred to said list and Specifications.

Said bids will be publicly opened and read aloud at the above stated time and place. Each bid shall be made out on Bid Forms to be obtained at said office and must be accompanied by a certified check, or money order for ten per cent (10%) of the amount of the bid, made payable to Tahoe-Truckee School District, Truckee, California. Said certified check or money order shall be given as a guarantee that the bidder will enter into a contract or any part thereof if awarded said bid, and will be declared forfeited if the successful bidded shall refuse to enter into said contract after being requested to do so by said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California. In addition, said certified check or money order shall be given as a guarantee of complete delivery on or before September 22, 1960, for the school bus, and will be declared forfeited if delivery is not completed on or before that date.

Delivery must be made F.O.B. to the Tahoe-Truckee High School, Truckee, California.

The school bus shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and the California Highway Patrol for 1960 regulations.

Relative to digging and installing a well bidders are hereby notified that pursuant to the Statutes of the State of California, Articles 1 and 2 of Chapter 1, Part 7, Division 11 of the Labor Code and local law thereto applicable, the Governing Board of the said Tahoe-Truckee Unified School District, Counties of Placer and Nevada, California, has ascertained the general prevailing rate of per diem wages and rates for holidays and overtime work in the locality in which this work is to be performed, for each craft classification or type of workmen or mechanic needed to execute the contract which will be awarded the successful bidder.

It shall be mandatory on the part of the Contractor of each contract as awarded and to any subcontractor under him to pay not less than the said specified rates to said laborers and workmen employed by them in the execution of the contract.

The prevailing rates so determined are based on an eight hour day, forty hour week, Monday to Friday inclusive.

Said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, reserves the right to reject any and/or all and any part or all of any bids and to waive any irregularities.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

JOHN S. CORBIN
Superintendent

CROY'S STORY NOW IN WESTERN MAGAZINE

Homer Croy of New York who visited Truckee several years ago while compiling data on the experiences of the Donner Party has a story on the Donners appearing in the August issue of the True Western Adventures magazine.

Croy, an author since the early part of the century is well known for his fiction as well as his meticulously prepared historical writings.

WOODLAND MAN WILL INSTALL PIER AT LAKE

WASHINGTON, D. C.—The army corps of engineers has notified Congressman Harold T. (Bizz) Johnson of the 2nd, valley-mountain counties, district that John M. Bolen of Woodland has applied for a permit to construct a Lake Tahoe pier.

The pier would be constructed at the McKinney Shores Subdivision in Placer County and army engineers permits gives no property rights, but only expressed federal assent insofar as the project concerns public rights of navigation.

Indians of the American desert area used the crushed body of the deadly black widow spider to poison the tips of their spears and arrows.

MARTIS VALLEY

A bunch of boys were hanging round
Today in Browns Cafe
Telling Tales and swapping lies
And going on that way.

In walked a total stranger
Unknown to all the town
He ordered up a big rib steak
And laid his money down.

We all could see his "Caddie"
Outside up near the curb
We could hear the motor purring
Like a kitten undisturbed.

In the "Caddie" on the off side
Was a dish now I do say
"It would take a lot of looking
To beat the looks of her today."

The boys were all a-looking
And a-craning as before
While the stranger merely sat there
With his eyes upon the floor.

You could see that he was brooding
Like a man who lost his all
And was eating his last supper
Just before his final fall.

I could see the boys were waiting
For me to make the play
So I eased up to the stranger
And I started in to say.

"Say, your looking mighty sickly
For the looks of what you own
I can see there's mighty big
Eating at your soul."

"If you would only tell us
The tales of your dismay
I am sure that we could help you
Finish off this thing today."

"Why do you look so worried?
Why do you look so sad?

I'm sure things are not as they seem
And things are not so bad.

The stranger turned his head around
And looked me in the eye
He said, "I'll tell you town boy
And what I say will be no lie."

He said, "I went out looking
For a home-site by the way
And a salesman took me shopping
To a place so far away.

Now I was sure I liked it
And I put my money down
But I'll tell you nozy town boy
It's too far away from town.

The roads are poorly engineered
The pipelines are too small
The lot size is a pie shaped thing
With slope and rock and all.

Then I saw Martis Valley
I could have jumped with glee
The roads are wide, the waters good
And the rocks don't hide the trees.

I'm going out tomorrow
I've already set the date
I'm going to buy a man sized lot
In Martis Valley Estates.

The strangers eyes did sparkle
The light in them did shine
I could see that he wes satisfied
To leave the rest behind.

He's going out tomorrow
And put his money down
And buy himself a man sized lot
And live close in town.

I think I'll follow the pattern
I think I'll set the date
I'm satsified the place to live
Is MARTIS VALLEY ESTATES.

Rampart Is Sold To Orange Couple

Mrs. John I. Walter of San Francisco has just sold "Rampart," her 12-acre Tahoe City property on the Truckee River to Mr. and Mrs. Glen E. Hutchison of La Habra, Orange County.

The sale was announced by the San Francisco office of Previews Incorporated, the National Real Estate Clearing House, marketing agents.

Mrs. Eve Popovich of Donner Trail Realty, Truckee, handled the transaction.

The selling price was reported to be in the neighborhood of $75,000.

"Rampart," which has been under one ownership for almost 50 years, comprises 12 acres of forested land. It borders the Truckee River and Highway 89 for 1,100 feet and is almost equidistant from Lake Tahoe and Squaw Valley. Ingress is gained by a private auto bridge across the river into the grounds to the eight buildings. Under one of the large aspen groves is an outside dining area featured by a large native stone fireplace, grill and nearby tennis court.

The buildings, with accommodations for 30 guests, include the main lodge, two guest houses, two log cabins, a children's cottage, caretaker's house, two-car garage and utility buildings.

The main lodge includes a 45' living-dining room with huge stone fireplace, kitchen two bedrooms, two sleeping porches and two baths while the additional buildings have many bedrooms, baths, sleeping porches and kitchens.

The new owners plan to live at "Rampart" year-round.

FREDDY MARTIN TO FEATURE BAL SHOW

America's all-time Great Man of Music, Freddy Martin, his singing saxopohone and his orchestra come to Lake Tahoe's Bal Tabarin August 5 for a special six-day engagement.

Lee Frankovich, general manager of the Bal Tabarin, located at the north end of Tahoe, announced tha the entire Freddy Martin Company, including vocalists Ralph Anthony and Johnny Cochran, pianists Dave Leonard and Bob Hunter and the Martin Men . . . all will be on stage at the Bal to present one of the biggest entertainment scoops of the Tahoe summer season.

One of the most successful musical organizations in the United States, the Freddy Martin Orchestra, a long-time favorite with west coast audiences, comes to the Bal Tabarin direct from the Coconut Grove in Los Angeles.

CAPITAL OFFICIAL IN TRUCKEE HOSPITAL

William J. Burckhard, 60, superintendent of Sacramento city schools, was in critical condition at Tahoe Forest Hospital, the victim of a stroke.

The capital city official was spending the day with his son Saturday near Big Bend when he was stricken. His condition was described as near fatal, but he is showing some improvement and his physician gave him a good chance for complete recovery.

GOLF PRO SPEAKS AT LOCAL LIONS MEET

Orf DeLuga, who is scheduled to be the professional at the new Truckee golf course gave an interesting talk on the course at last night's meeting of the Lions Club. The meeting was presided over by President Zeph Rose.

Visiting Lions were John Hostetter of Reno, George Prescott of Lincoln and Tom Hoffman of Lake Tahoe.. Visitors included Karl Kielhofer, Sherm Elsworth, Carson White, John Howcroft, Wilbur Bell and Hugh McClaschan.

Mr. and Mrs. Keith Reid who have lived in Sunnyvale for the past two years have re-established their home at Donner Lake.

RIGHT HERE — Chief Festus S. Okotie-Eboh, Nigerian minister of finance, and Bank of America President S. Clark Beise pinpoint on a map of Africa the exact location of Lagos, capital city of the Federation of Nigeria, where the bank opens a branch next month. The minister, in traditional chieftain regalia, presented Beise the license for the branch during a press conference in San Francisco. Nigeria becomes independent of Great Britain October 1 this year and, with a population of 35 million, will be the largest independent African nation. Bank of America's Lagos branch will be the first West African branch of any American bank.

DOG POISONER BUSY IN TRUCKEE REGION

Residents of the River Street area are being warned that a dog poisoner is active in the district. Three or four dogs have been poisoned, according to Don Sites, whose pet was among the victims.

Sites said that apparently someone is leaving poisoned meat where the dogs can get it, and warned that even youngsters may fall victim to the poisoner. The authorities have been notified.

MARRIAGE LICENSES

Reno marriage licenses were issued last week to three couple of this area including Ronald Reid, 32 and Peggy Spencer, 19 both of Truckee. Thomas J. Burns At Donner Park—

Mr. and Mrs. Chet Burns and children of Grass Valley visited Truckee friends while they camped at Donner State Park.

SIERRA COLLEGE TO BILL FOR TUITIONS

Nevada County will be billed for $122,984.91 for tuition of students attending Sierra College during the 1959-60 school year. This does not include students from the Truckee area, who reside within the Sierra Junior College district.

This is revealed in statements filed with Alfred F. Bequette by district superintendent Harold M. Weaver.

Total tuition bills from twelve counties is $198,914.40, a jump of approximately $15,000 over the 1958-1959 bills.

Other counties listed follow:

El Dorado, $55,807.53; Humboldt, $,145,86; Tuolumne, $996.02; Siskiyou, $1,040,09; Inyo, $2,256.46; Sacramento, $4,962.46; Sierra $2,-988.05; Butte, $1,877.45; Del Norte, $1,745.23; Plumas, $3,640.31; Solano, $370.20.

PERMIT GRANTED

A use permit was granted Harry Stout and August Sassarini of the Truckee Donner Disposal Service to operate a wrecking yard on their property near the garbage dump by the Nevada County Planning Commission at the last meeting. The permit runs from August 1, 1960 to September 1, 1965.

At Long Beach—

Mrs. William Englehart attended the Music Teachers Association July 17-21 at Long Beach where she heard outstanding musicians lecture and give recitals.

PATROL JOINS FIGHT TO PREVENT FIRES

The California Highway Patrol is joining in the battle to prevent forest fires by mounting a drive against motorists who toss lighted cigarets, cigars or matches out of their automobiles.

CHP Commissioner Bradford M. Crittenden said his officers are instructed to cite anyone they observe throwing any lighted substance on any road or highway outside of a business or residential district.

"This is an extremely critical year for forest fires," Critenden added. "A match or a smoke tossed from a car can touch off a blaze that could burn hundreds of acres of timber, destroy thousands of dollars worth of private property, and cause loss of human life.

"Our enforcement activity will not, however, be confined to mountain and forest areas. The law applies theroughout California and if we can educate the public not to throw lighted material from their cars anywhere they will be less likely to break the law in an area where great damage can be done:"

INJUNCTION GRANTED IN WATER DISPUTE

AUBURN — Superior Judge Vernon Stoll of Nevada County has ordered a temporary injunction against the Lake Tahoe Gold Mining Company and Tahoe Ventures, Inc., restraining the firms from diverting water in Madden Creek near Homewood, Lake Tahoe.

Judge Stoll gave the order on the request of Thelma Schwimley who in the request for the injunction stated the firms constructed a dam across the creek, cutting off the supply of water for about 100 residents in the area served by the Madden Creek Water Company.

The defendants had applied to the state water rights board for rights to appropriate water from the creek but built the dam prior to a hearing or granting of an application.

MAP APPROVED

The Nevada County Planning Commission approved and signed the subdivision map of Olympic Heights No. 3, one mile east of Truckee, at the recent meeting.

HAUG'S LODGE NOT MOLESTED BY FIRE

Walter Haug formerly of Sugar Bowl and manager of San Simeon Lodge wrote that the Hearst Castle is again open to the public. The recent forest fire has in no way disturbed or destroyed any of the beauty of this historical monument. The fire was too far distant to cause any damage to the vicinity of the castle or Highway One.

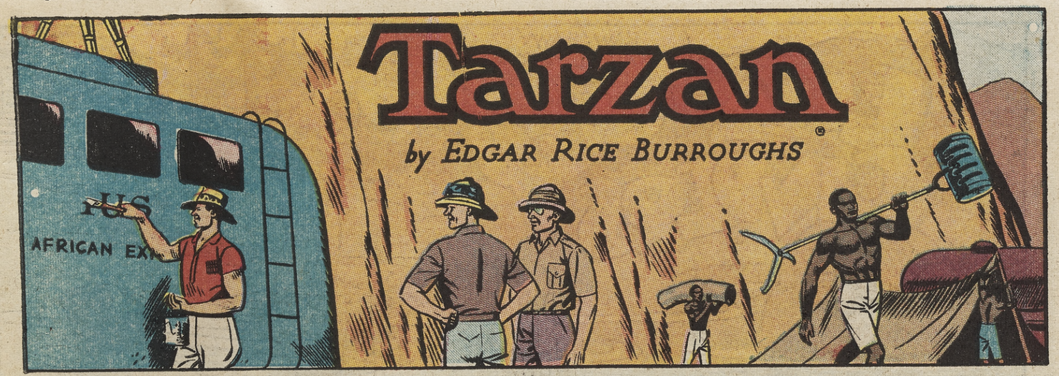
Tarzan

by EDGAR RICE BURROUGHS



BEGGED BY THE FILM MEN TO REMAIN THEIR LEADER - AFTER POMPUS FELL TO HIS DEATH IN THE LOST VALLEY OF THE ELEPHANTS - TARZAN AGREES TO GUIDE THE FILM SAFARI TO ANOTHER NEVER-BEFORE-FILMED AFRICAN SCENE.

BILL ELLIOT JOHN CELARDO

WE'RE READY TO SHOVE OFF ANY TIME *YOU* SAY, TARZAN! ANY PLACE *YOU* SAY... NORTH, SOUTH, EAST OR WEST!

I'VE BEEN THINKING, JOE, OF SOME AMAZING WOMEN, ABOUT THREE DAYS NORTH OF HERE - THE *WOO-MOOS*. MAGNIFICENT CREATURES! STRONG AS MEN! NOBODY HAS EVER PHOTOGRAPHED OR WRITTEN ABOUT THEM, SO FAR AS I KNOW.

I ONCE BEFRIENDED THEM, SO THEY *MIGHT* LET US ENTER THEIR MUD FORTRESS... FOR A FEW DAYS.

Copr. 1960, Edgar Rice Burroughs, Inc.—Tm. Reg. U. S. Pat Off.
Distr. by United Feature Syndicate, Inc.

THESE *WOO-MOO* WOMEN HAVE STRANGE HISTORY: MANY YEARS AGO A CARAVAN OF SLAVE GIRLS, EN ROUTE TO AN ARAB GIRL-MARKET, SLIT THEIR MASTERS' THROATS, ONE MIDNIGHT, AND ESCAPED THEIR FATE. SEVERAL HUNDRED MILES SOUTH OF THE CARAVAN ROUTES, THEY BUILT A MASSIVE, MUD-WALLED FORTRESS...

AS YOU MAY KNOW, MANY NORTHERN TRIBES USED TO DROWN GIRL BABIES AT BIRTH, KEEPING ONLY MALES FOR THEIR CONSTANT TRIBAL WARS. THESE *WOO-MOO* WOMEN DISCOVERED A VERY RICH GOLD VEIN INSIDE THEIR FORTIFICATIONS. TRIBES WITH UNWANTED GIRL BABIES BEGAN SENDING THEM TO THE OUTER GATE OF THE *WOO-MOO* FORTRESS, TRADING THEM FOR *WOO-MOO* GOLD.

EUREKA, TOM, *WOMEN!* NOW TARZAN SPEAKS YOUR LANGUAGE!

I SAID THEY'RE MAGNIFICENT CREATURES, BUT I BETTER GIVE YOU SOME DETAILS... THEY *HATE* MEN! TRIBESMEN TELL ME THEY WORSHIP A FEMALE GODDESS. ONCE A YEAR THEY GIVE HER A HUMAN SACRIFICE, A *MAN* THEY'VE TRAPPED...

WELL, TARZAN, ON BEHALF OF THE GROUP - I SAY LET'S *GO!*

JUST SHOW US THE WAY!

WE MUST FOLLOW A PASS INTO THE HIGH MOUNTAINS FAR AHEAD. REMEMBER, I'M NOT GUARANTEEING *WOO-MOO* HOSPITALITY... ONLY A CHANCE FOR YOU TO FILM THEM! BUT FREE YOUR CIVILIZED HEADS OF EVERYTHING YOU *THINK* YOU KNOW ABOUT WOMEN! IF YOU'RE LUCKY ENOUGH TO GET THESE *WOO-MOOS*, AND SOME OF THEIR CUSTOMS, ON FILM, NOBODY - EVEN IN HOLLYWOOD - WILL BELIEVE WHAT YOU'VE PHOTOGRAPHED REALLY EXISTS.

HI, PENNY AND PAT - YOU KNOW WHAT TODAY IS?

EEOWWWWWW

SURE! IT'S SUNDAY.

THAT'S RIGHT, AND YOU KNOW WHAT NEXT WEDNESDAY IS?

IT'S **MY BIRTHDAY!**

WHAT'S SUCHA MUCH ABOUT THAT? EVERY-BODY HAS BIRTHDAYS.

SURE THEY DO, BUT I ALWAYS FEEL THAT MY BIRTHDAY IS EXTRA SPECIAL.

IT IS - IF YOU HAVE A BIG PARTY.

ARE YOU GOING TO HAVE A BIRTHDAY PARTY, ROCKY?

NOPE. THAT'S BABY STUFF.

THEN WHY'D YOU TELL US ABOUT YOUR BIRTHDAY?

'CAUSE I WANTED TO KNOW WHAT YOU'RE GONNA GIVE ME.

WELL - SEEING AS YOU'RE NOT HAVING A PARTY - SHUT YOUR EYES AND TELL ME WHAT YOU SEE.

N-NOTHING!

THAT'S JUST WHAT WE'RE GOING TO GIVE YOU FOR YOUR BIRTHDAY!
